

Friendly Chemistry

A Guide to Learning Basic Chemistry

4th Edition

Joey Hajda DVM MEd

Lisa B. Hajda MEd

Teacher Edition (One Student) Volume 1

Friendly Chemistry

Published by Hideaway Ventures, 79372 Road 443, Broken Bow, NE 68822

Table of Contents

Volume 1

	Page
Course Introduction.....	1
Lesson 1: Meet Chemistry.....	3
Lesson 2: Moving in a Little Closer.....	27
Lesson 3: The Arrangement of Electrons in Atoms.....	43
Lesson 4: Applying Quantum Mechanics.....	57
Lesson 5: Learning the Code: Orbital Notation.....	71
Lesson 6: Electronic Configuration Notation.....	81
Lesson 7: Electron Dot Notation.....	93
Lesson 8: Relating Electron Arrangement to Reactivity.....	105
Lesson 9: Another Trend of the Periodic Table: Ionization Energy.....	121
Lesson 10: A Final Trend of the Periodic Table: Atom Size.....	133
Lesson 11: Ion Formation.....	147
Lesson 12: Determining Charges on Ions.....	169
Lesson 13: Forming Compounds from Ions.....	185
Lesson 14: Learning Slightly More Complex Ions.....	197
Lesson 15: Making Compounds with Polyatomic Ions.....	211
Lesson 16: Introducing the Mole.....	219

Volume 2

Lesson 17: Finding Formula Weights.....	1
Lesson 18: Finding the Percent Composition of Compounds.....	13
Lesson 19: Writing Empirical Formulas.....	23

Friendly Chemistry

Lesson 20: Putting Compounds into Reactions.....	55
Lesson 21: Balancing Chemical Equations.....	97
Lesson 22: Introduction to Stoichiometry.....	113
Lesson 23: Predicting Grams of Product.....	127
Lesson 24: Predicting Grams of Product from Grams of Reactant.....	139
Lesson 25: Do I Have Enough Reactant?.....	151
Lesson 26: Mixing Compounds with Water to Make Solutions.....	163
Lesson 27: Incorporating Molarity into Stoichiometric Problems.....	175
Lesson 28: Determining the Needed Amount of a Solution to Perform a Reaction....	189
Lesson 29: Properties of Gases and How Gases can be Measured in Reactions.....	203
Lesson 30: How Changing Temperatures Affect Gases.....	219
Lesson 31: How Changing Pressures Affect Gases.....	235
Lesson 32: The Combined Gas Laws.....	245
Final Exam.....	255
Appendix A: Answer Key for Practice Pages and Tests.....	259
Appendix B: Comprehensive List of Supplies for Each Lesson... ..	279
Index and Useful Conversions.....	283
Periodic Table of the Elements.....	284
